## JANUARY RAIDERS OF THE MONTH

by Bob Almanza

2015-16 STUCO

AHS STUCO became the next "Raider of the Month" for January, 2016. The Activities/Athletics Department of Argonia High School has decided to recognize one student (or group) a month who has demonstrated exceptional pride and integrity while competing in athletics or activities. Students are nominated by coaches and sponsors and, once a month, a "Raider of the Month" is chosen.

STUCO was chosen for the month of January after being nominated by Sue Randall. She had this to say about STUCO:

*"I would like to nominate the AHS Student Council and their sponsor, Jon Mead, for the Raider of the Month award.*

*STUCO came to my aid after I mentioned to Mr. Mead how many Angel Tree gifts still needed to be purchased from the trees at the bank and city building. Instead of just helping to donate some money to help a few kids, they took the cards for me and went shopping at Wal-Mart with money that I had which had been donated from the community, so that all of the kids would have something under the tree for them Christmas morning. They shopped for over 20 gifts in less than a half hour. They were respectful to others in the store and when we checked out at the cash register. They had excellent ideas for the gifts and even found a proper gift bag to put it in. I was so thankful that I did not have to do all that shopping on my own!*

*I really appreciated that Mr. Mead took them over and back in the mini bus and even taking them out for ice cream afterwards. They deserve to be recognized for their good deed!"*

The "Raider of the Month" is part of a renewed effort to build school pride. The student (or group) selected has their picture on a bulletin board along with comments from the coach or sponsor who submitted the nomination. Look for a new student next month!!

## 2016 LEGISLATIVE SESSION UPDATE

The 2016 Legislative Session began on Monday, January 11. This is an outline of what to expect from the session in the coming months:

**January:** Session begins second Monday; bill introductions by individuals and committees, deadline except for exempt committees early February; Governor's budget message first week.

**February:** Committee hearings; action by committees to recommend bills; deadline for most bills to pass house of origin in early March; budget committee and subcommittees begin recommendations.

**March:** Hearings for bills in committees of second house; deadline for most bills to pass second house; budget committees assemble "mega bill" on state budget for action by full House and Senate; conference committees to resolve differences in bills begin.

**April:** Conference committees continue; first adjournment (usually first weekend); revised consensus revenue estimates released; budget committee returns to prepare adjustments (usually in the "omnibus" bill); reconvenes for "veto" session (usually last Wednesday), conference committees continue.

**May:** Adjournment of veto session (usually within one or two weeks), final "sine die" adjournment of session. June-July: Legislative Coordinating Council

One bill to be aware of right now is **HB 2504** School District Realignment

This bill requires the Kansas State Board of Education to oversee redesign of districts by July 1, 2017; taking effect one year later.

The bill requires every county with 10,000 or fewer students to be a single district. Counties with over 10,000 must have at least 1,500 students per district. The numbers are based on public school district students who are residents of the county.

There is no provision or process of determining the new school board for the newly formed districts.

Of the 286 existing districts, only 50 would remain unaffected. Kansas would go from 286 to 132 districts. The average district size in Kansas would go from 1,719 students to 3,724 student.

All districts in Sumner County would become part of Wellington USD 353. This would include the districts of Argonia, Belle Plaine, Caldwell, Conway Springs, Oxford, and South Haven. This newly formed district would have approximately 3,897 students.

Use this web link to find more detailed information about the realignment.

## **2016 LEGISLATIVE SESSION UPDATE** **continued**

Please contact your legislators today and let them know how you feel about this bill and the impact it would have on our students and our community. Below are some tips for sending effective email messages, making phone calls, and writing letters. Also provided is the contact information for the legislators in our area.

**Effective Emails** • Stress that you are a constituent in the subject line, in the introduction or in your greeting. • If your e-mail refers to a specific bill or amendment, identify it in the subject line (“Constituent Who Supports HBxxxx or SBxx” or “Support Education Funding in Budget Resolution”). • Personalize the e-mail by including the name of your local school or school district and explain how the policy will affect your community. • State your opinion and your specific request within the first or second sentence. • Avoid confusing education jargon. • Always demonstrate respect and courtesy. • Include your address and contact information. • Provide links to one or two articles that relate to the issue or to the KASB Legislative Agenda or position statement on the issue. • If you have any personal association with policy makers, remind them. Nothing is more effective in getting a policy maker’s attention.

**Effective Phone Calls** • Before you call, jot down a few talking points. Always be prepared to leave a voice mail message if necessary. • When you telephone a U.S. legislator’s office, ask to speak with the legislative aide responsible for covering education issues. • For state offices you will generally reach an office assistant or intern and should be able to reach your legislator personally. • Leave a clear message, including your name and address, with the person who answers the phone. You might begin by saying, “I’m Jane Educator calling from Anytown, and I’d like to leave a message for Congressman Smith.” • State the issue you are calling about and what you want your representative to do. • Legislative offices are very busy - be as brief as possible. • A follow-up e-mail is a good opportunity to restate your position and include additional materials and say thank you. It also helps establish a relationship with the office.

**Effective Letters** • When you need to communicate your stance to decision makers, the media or other community members, position papers and policy briefs can be useful. One or two well written pages can also serve as a reminder of your personal visit with the legislator, or as a source of data and information in future discussions. The emphasis should be on factual information and comment presented in an easy to read format.

- State your position up front.
- Clearly communicate what you want done.
- Provide the background and context of the education issue.
- Edit carefully and limit to one to two pages.
- Identify your group and why the position is important to you.
- Include your name and contact information.

## **INDIAN BOYS BASKETBALL**

by Coach Wayne Vineyard

The Indians would open the new year with a home game against South Haven. After a hard fought half the score was tied 9-9. The boys would come out of half and score 16 points in the second half but also gave up 16 points resulting in another tie at the end of regulation. We would go into overtime and get outscored 6-3 to lose the game by a score of 28-31. Scoring for the Indians were, Fisher 9, Dickerson 6, Pierce 3, Topinka 3, Phillips 3, Brown 2, and Dewlen 2.

Next we would host a good Udall team. The Indians could not handle Udall's press, resulting in a 59-12 loss. Scoring were, Fisher 4, Love 6, Dickerson 2.

The Indians would then travel to Central to take on the Raiders. Going into half the Indians were leading 12-9. The Indians came out at half playing solid defense holding the Raiders to just 2 points in the third quarter and scoring 10. We would lead 24-11 heading into the fourth. After a very physical and exhausting game the Indians held onto the lead defeating Central 33-23 breaking a 2 year losing streak. Scoring were, Fisher 6, Love 12, Pierce 8, Dickerson 7.

We would then travel to play a very good Caldwell team and lose by a score of 43-7. Scoring were Love 4, Dickerson 1, Dewlen 2. The Indians will finish up the season traveling to Attica, Oxford, and then hosting Flinthills.

## **RAIDER BOYS BASKETBALL**

by Coach Bob Almanza

The Argonia Raiders now stand at 8-4 after an eventful month of January. They opened the new year by beating West Elk to go 1-0 in league play. They traveled to Howard and played a solid game. The Raiders were led in scoring by Kolten Koerner, who scored 16. Trevor Pierce and Seth Hemberger added 12 a piece in the win.

The Raiders next played Central Burden. Unfortunately, the Raiders did not play well. Although AHS made a nice comeback after trailing in the first half, it was not enough. Central Burden made nine three pointers in securing the win.

The Raiders then opened up the SCBL Tourney by playing West Elk. Again, the Raiders struggled, as the Patriots proved too strong inside. West Elk beat the Raiders in the first round game, sending AHS to the loser's bracket. Fortunately, the Raiders regrouped and won the next two games in the tourney. The Raiders first played Oxford, beating them 48-37. Evan Dolley led the Raiders in that win, scoring 20 points. AHS next played Cedar Vale/Dexter in the 5<sup>th</sup>/6<sup>th</sup> place game. The Raiders played extremely well, building a 10 point lead. The Spartans, however, got hot from the three point line in the third quarter, making 5 three pointers. Fortunately, the Raiders came back strong in the fourth quarter, ultimately winning 54-51. Kolten Koerner scored 16 points to lead the Raiders, while Evan Dolley tossed in 15 points, and Seth Hemberger chipped in 13 points.

The Raiders got back to playing regular season league play by playing Caldwell. The Raiders, beating Caldwell 54-42, played one of their best games of the season. Seth Hemberger had one of his best games as a Raider, scoring 24 points. Evan Dolley scored 16 points, while Kolten Koerner chipped in 9 points.

The Raiders now stand 2-1 in league play, and 8-4 overall.

# **LADY RAIDER BASKETBALL**

by Coach Dixie Brewster

The AHS Lady Raiders are getting ready to win more games! Extra effort, focus and preparation will pay off in the long run for this team, but it's still hard when the last 3 games have been lost by 4 or fewer points. With 4 wins and 9 losses, the Lady Raiders are not satisfied and will continue to compete with a more focused attention on the responsibility that each player has on the team.

The fifth place game on January 23 against Central Burden, 31-35, found the Lady Raiders shooting 41% on 9 of 22 free throws. We outscored Central 17-4 in the third quarter, but it wasn't enough as the game came down to the wire with a number of unsuccessful opportunities in the final seconds. We will play Central Burden again on February 19<sup>th</sup> and we are looking forward to a rematch!

Beating West Elk 55-45 was a SCBL Tournament Game that found Argonia girls ready to play and determined to avenge an earlier loss in Howard. Seven Lady Raiders scored and the team connected on 12 of 19 free-throws. 5-three point baskets were made. (Alyssa Hammond, Baylee Booker, Kaylee Lacey and Jesse Tracy-2) Our pressure defense has improved and it was effective against the Patriots.

The first round game in the tournament was against Sedan. The first half of play was intense and we played well. We struggled to connect on our shots, but we held Sedan to 26 first half points. They are averaging over 60 points a game. We were within 9 at half-time, 17-26, but our second half was not what we had hoped and we lost 30-52.

Our other win in the tournament came against CV/Dexter 60-41. This was played at Oxford as a play-in game and we shot the ball well! Scoring for AHS: A. Hammond 2, Booker 13, Thompson 8, Vineyard 21, C. Hammond 4, Rhea 1, Lacey 2, Fitch 2, and Tracy 7. Our defensive efforts began to improve throughout this game and have continued to look better from this point forward.

Last season our team took 7<sup>th</sup> place in the SCBL Tournament and this year we did improve on that by finishing 6<sup>th</sup>. Our team goal is to be playing in the Championship Game next year as we look ahead to our future. We are not where we want to be, but excited for the experience and we will have everyone back next season.

Playing Caldwell, at home, was an exciting game, but the Lady Raiders were disheartened when Caldwell hit a last-second shot to win the game 32-29. The game was tied with less than 7 seconds and the only 3-point basket made by Caldwell was that last-second shot. Luck was on their side.

The last half of the season begins now, and we look to finish much stronger than we began. We appreciate the support we have been shown and look forward to seeing you all at the games!!!

## **MINI HEALTH FAIR FOR STAFF**

by Christine Short

The Wellness Committee for USD 359 put on a Mini Health Fair for staff on Wednesday, January 13<sup>th</sup>. The staff was divided into three groups and sent to different stations.

One station had chair massages being given by Terry Asmussen, while staff collected goodie-bags and snacked on healthy foods such as fruit, vegetables, hummus, and crackers. The goodie-bags consisted of a stress ball, Kleenexes, Chap Stick, an Emergen-C packet, and anti-bacterial hand wipes.

The next station was led by Jan Harding, showing staff how to do dynamic stretching, which could also be turned into an aerobic exercise. They also tested their balance on a bosu ball. Wendy Booker was on hand with a machine that could calculate your BMI.

The third station was led by fellow staffer Natalie Shirley, doing yoga stretches and relaxation poses. Staff could also have their blood pressure taken by Richelle Greene while here.

Staff really enjoyed everything and wrapped up the day by signing up for a "Friendly Building Competition." The Elementary and High School staff will be trying to beat each other in exercise miles from January 25<sup>th</sup> to April 22<sup>nd</sup>. They've put in money, and whichever building is the winner gets to take the cash and go do something fun with it!

## ARGONIA PTO – SPECIAL DONATION CAMPAIGN FOR BUILDING AND GROUNDS RENOVATION PROJECTS

The Argonia PTO has decided to start a special donation campaign to try and raise funds for building and grounds renovation projects for our schools. Keeping safety in mind for our students, staff, and community we have decided our first priority is replacement of the sidewalk in front of the Elementary School. We have applied for several grants to help offset the approximately \$8000 cost of this project and have recruited several local volunteers to help with labor. The PTO would love to see this project completed during the 2015-2016 school year but we need your help to make this happen. If you are interested in making a tax-deductible donation, you may do so at the Elementary School Office or by mail to Argonia PTO, 202 E Allen, Argonia, KS 67004. Any money raised in excess of the sidewalk project will be held in a special account for other building and ground renovation projects. Also, if you would like to be on a list of volunteers to help with labor, please let us know. If you have any questions, please contact Melinda McCurley at 620-435-6782 or [mdmccurley@hotmail.com](mailto:mdmccurley@hotmail.com) or Bill Mock at 618-292-2542 or [bkmock95@yahoo.com](mailto:bkmock95@yahoo.com).

### BOX TOPS NEEDED!!!!!!

The Elementary students are collecting box tops through February 16th for a contest. If they collect over 4,000 by the 16th they will be treated to a movie and popcorn in the Gym. So bring your box tops to the Elementary office to support Argonia students.

# POP TAB FUNDRAISER
